

Ole Slim's Fishing Report

Excellent bass fishing was reported in the Belle Glade area over the weekend, with bream and shell cracker fishermen also bringing in many limit and near limit catches. Fishing began picking up last week and the past two days provided the best bass fishing of this season. June and George Evers brought in 22 bass on Saturday using a Black Lizzard. The Evers returned on Sunday morning for shell crackers and brought in a catch of 78. Mr. and Mrs. Evers are from West Palm Beach. Their largest weighed 7 1/2 lbs.

Jimmy Taylor Belle Glade, caught 10 bass on Sunday morning. Russell Buss came in with four nice bass on Sunday morning.

To The Voters Of The City of Pahokee

LET'S FACE THE FACTS MY FELLOW CITIZENS

Recently, the present city council increased the councilman's salaries from \$50.00 per month to \$100.00 per month and the mayor's salary from \$250.00 per month to \$300.00 per month, effective after May 7th.

When I ran for office in the Council I was nagged, and work, to have the councilman's salary cut back to \$50.00 per month and the Mayor's from \$300.00 per month to \$250.00 per month, as I feel this is ample pay for the time involved and, too, for the public's interest. Also the chief of police's salary was increased from \$7,000.00 per year to \$7,800.00 per year. If my salary were going to be increased it should be for employees who barely make enough to exist. I believe if all departments of the City of Pahokee were operated on a more business like basis there would be sufficient money to operate the city properly.

I also noted that the city council voted to employ Municipal and Associates to bring the city tax assessment up to 100% of valuation which will increase our property taxes approximately 25%. As you know, any number of people are leaving here due to higher taxes, water and sewerage bills. I have noticed within a few residences in the City of Pahokee and surrounding area are for sale — also several commercial buildings are unsold, which is due to lack of business and unemployment. This does not look good for our city. It is my desire in the council I hope the Chamber of Commerce and other civic organizations will join me in promoting new businesses that will help restore what has been lost to the community.

A short time ago the City reduced the Pahokee Housing Authority's (Pahokee Housing Authority) water and sewerage bills and offset this loss raised water and sewerage bills on some other users, which I consider unfair.

If May 7th Election comes in as my favor I will, sincerely, serve all citizens, regardless.

Your vote and support will be most appreciated.

Hijacking

(Continued From Page One)

breaking loose from the patrol boat. The latter's small boat was lowered and the rum boat recovered. Weems, who had been beaten with an oar, was pulled in, and also Hollingsworth who had kept aloft by holding to the cutwater of the patrol boat.

Alderman was still alive, but Tuten afterward said that he had taken the worst beating and stabbing that he had ever seen a man take and live. The crew was tempted to finish the job, but finally decided not to. Johnnie Robinson radioed to the base, the gas lines were connected, the bilges pumped out and flushed, and the boat headed for home under one engine. Lying dead on the deck were

the skipper, Sidney C. Sandeford and the Treasury man, Robert E. Webster. Victor A. Lamby, the engineer, died a few days later. Hollingsworth was in critical condition, and Alderman and Weems were in bad shape. The base commander in his speed boat, and a relief crew in another boat arrived soon. At the trial Weems turned State's evidence and was given a year and a day. After two years of trials and appeals, Alderman was hanged in the Ft. Lauderdale Coast Guard Base, the first and last hanging in Broward County.

When I asked Johnnie Robinson the date of this hijacking, he held out his hand. Tattooed on it was "CG 249, Aug. 7, 1927".

Three To One

May I speak against war—Not the war, but just war? Today the papers read "Services for Sgt. Stein." And we, two friends and I, thought how young he looks. But then, how old should twenty look?

May I speak against war? Three to one, whose favor? George Aman

WRESTLING

It's a fine old tradition...

When old friends meet, they greet each other with a warmth that recognizes the pleasant association they've enjoyed over the years. In that tradition, we greet every person that comes in to see us, with the warmth and friendliness that is the result of many years of a very happy association with the folks in Palm Beach County. We've been here since 1933 helping our neighbors to own their own homes and plan for a more secure future through insured passbook savings accounts and certificate savings accounts. It's a tradition of service to our community that we hope to keep going for a real long time to come. We like making new friends too. If you haven't yet been to see us, why not come in today? Maybe we can help you plan for your happier future in the near future.

A VOTE FOR KOHL IS A VOTE FOR INTEGRITY & MORALITY

Are You Tired Of

A COUNTY COMMISSIONER WHO REPRESENTS SPECIAL INTERESTS (AS ESTABLISHED BY HIS RECORD)?

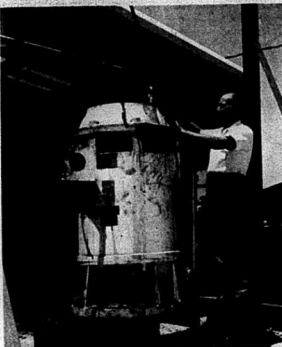

A COUNTY COMMISSIONER WHO FEELS TRAFFIC LAWS ARE FOR "ORDINARY" PEOPLE? (AND A JUDGE PAY HIS FINE).

A COUNTY COMMISSIONER WHO FEELS HIS WRITTEN WORD IS NOT BINDING?

I BELIEVE THAT secret meetings in County government are not only illegal and dangerous to the general welfare of the public—but definitely in defiance of their oath of office, and should be stopped. My election is your assurance of a discontinuation of this back room practice, because it has been and is my belief that representation should be for all the people and not a chosen few nor special interests.

The 150-200 HP motors are overhauled each year at the end of the season so as not to have any down time during the season. This one is typical of the 6 to 10 motors in every mill, used to separate molasses from the sugar.
